

# Hypnotize

**Title Fight**

Sink into the floor, what can I say?  
You haven't heard before

Is it too much to cope again?  
I just wanted to know  
I just wanted.

Day dream all day  
Stand and wait  
Hallucinate

Is it too much to cope again?  
I just wanted to know  
Feel the drill through my head.

Stay inside  
I feel fine  
Ignore the signs.
