

## Rose of Sharon

Title Fight

Lately life moves slowly  
I stop to smell a rose  
Inhale  
Press its thorns against my nose

Stood in  
One place  
Careless  
Change

Can't escape  
I'm a part of you  
Engraved  
in the stone  
Do you feel it too?

Stood in one place  
Restrained  
Roses, like me  
Need rain

Try hard not to care  
The world won't cease to turn  
A name you didn't choose  
is left in place of you  
Can't escape  
Careless change
