

Lo Bootz

Tity Boi

In my lo boots Can you tell me is she wanna lick my...
Swagger to the max In my lo boots
... shoe... lo boots turn up the world...
She's gonna lick my boots...
I told her I saw so many whores in my closet
Make my shit look like a stable
Crib like a zoo
... all type of flavors
This is not a boxer... you can check my...
And every time you see me tell them you f**k with...
I am used to and you are useless
Ain't no f**king difference...

In my lo boots Can you tell me is she wanna lick my...
Swagger to the max In my lo boots

I said to low lick the... let the boot show
... same color new for...
Hugging the... my pocket is used though
True clothes... use some
... yeah I am fly cute in that suicide...
I am used to the city noise pretty boys...
Silly boy I made classic... give me 50 more
Cause... your whore... look like the law
I had a... swagger tone...

In my lo boots Can you tell me is she wanna lick my...
Swagger to the max In my lo boots
