

Roll On Me

Tiwa Savage

Tell me what di Coco
Let me hear your vocal
Eyes on me
Bobo Malo Shojo
Give me that pronto
The Tibi that follow
Where di energy

Waste no time
When I'm dripping in finesse
I can change your life
The rooms on fire
Malogbemidebe
Tobamasalo

Come before the next song
Baby I want to feel the pressure
And you could be the first one
Baby just complete the mission

Roll on to me
Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me baby

Roll on to me
Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me (Yo watch this)

Ah mi seh roll on me, roll on me, roll on me
Roll on me, roll on me, roll on me
I give you all of me, all of me, all of me
All of me, all of me, all of me

Roll on me gottem bussin like a shoota
Wasabi I be rolling like a Lū'au
He don't trust woman but he knows that I'm loyal
Hold me, holy, baby screaming Hallelujah
I say pressure pressure ou I love pressure
Metta on Facebook before Meta
I rolled it up and held it down... way betta
Vibe electric baby ride it like a Tesla
Eyes on it, slow wine pon it
Li vle n kole tankon pikliz sou fritay hunny
He wanna get me in the back to photography
He wanna know my body and my anatomy

Roll on to me

Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me baby

Roll on to me
Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me

Your eyes saying everything I desire
Come roll me up, baby light up the fire
Let me turn up the heat, I bring the sirens
AiAiAiAi

Likkle diamond
Bigger flossin
Who can shine on me?
Baby there's no one
I'm the only decision
Mmm dem fall like the season

Talk to me with your body language
Like you speaking in tongues
Strip me down from the waist
Got no words when you turning me on
In the moment keep ya focus
Skin to touch open up like a lotus
I'ma roll on it make you feel the motion
I'll drive the boat if you rise up the ocean

Roll on to me
Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me baby

Roll on to me
Roll on to me
Roll on to me
Roll on me, roll on me baby
Hold on to me
Hold on to me
Hold on to me
You better hold on me
