

# Temptation

Tiwa Savage

(London)

Temptation, temptation  
That's all I see when I look at you  
Temptation, temptation (Temptation)  
That's all I see when I look at you  
Oh, oh

Look me in the eyes  
Look me in the eyes  
Je ka ri ra  
If you do me nice  
If you do me right  
I'ma give you, everything you like  
Anything you like  
Give me ginger  
Oh give me ginger, oh no

Temptation, temptation  
That's all I see when I look at you  
Temptation, temptation (Temptation)  
That's all I see when I look at you  
Oh, oh

Give to me, give to me  
Give to me, give to me

Yeah  
Sweet temptation, got the better of me, baby  
I guess I'm not that strong, uh  
My whole body leaner closer to you lately  
Even though I know it's wrong  
I just give into  
The shape of your body, replays in my mind  
The sound of your promises, echo in me deep inside  
Crave your attention, it compliments my pride  
All fired up, with nowhere to go

(Just give me)  
You give me temptation  
Oh that temptation, no-no, no  
That's all I see when I look at you  
Temptation (Ooh temptation), temptation (Ooh that temptation)  
That's all I see when I look at you (All I see, see, see)  
Oh, oh
