Tiwa Savage

Come closer let me feel your vibe
I know you wanna put it down on me
Boy hurry we don't have much time
And let's not waste it (me know that)

I can see what you been thinking through your eyes
Feeling like you won a lottery tonight
Papi you gon have to run away your side hoes
You the only one on my mind tho

That's just what I need when I'm lost
And your smile just, brightens my whole day
I wouldn't have it any other way

Are you not the one?
