

Fallen Angel

TIX

What can I say
I can't make her stay
When I know that she's so far above
How could she ever love
Someone like me
She's out of reach

Here in the dark, inside the hole in my heart
I'm fighting all of my demons tryna tear me apart
And I'm still not sure
What you ever saw - in me

No
I'm a, I'm a fallen angel
And no matter where my heart is there's no way I'll ever
Reach up to Heaven - to you

She's so far outta this world
No way I could ever be with her
Cuz I know Heaven's your home
That's where angels belong
And it wouldn't be fair
If I keep you down here

Here in the dark, inside the hole in my heart
I'm fighting all of my demons tryna tear me apart
And I'm still not sure
What you ever saw - in me

No
I'm a, I'm a fallen angel
Tryna fly but I'm not able
And I need you to know
That it's okay to let me go
Cause' no matter where my heart is there's no way I'll ever
Reach up to Heaven - to you

I'm a, I'm a fallen angel
I'm a, I'm a fallen angel
And I'm still not sure
What you ever saw in me

No
I'm a, I'm a fallen angel
Tryna fly but I'm not able, so
Just let me go
Cause' no matter where my heart is there's no way I'll ever
Reach up to Heaven - to you
