

Paradise Lost 2015

TIX

We are insomniacs
I've got a million white grams
We're fucking maniacs
I've got the world in my hands

I've got 25 girls skinny dipping in the pool
Got a stripper on my lap, tryin' to keep my cool
I've got money in my hands and a tower of cocain
Goin' to the next city in my private airplane

Ooh-oooh-ooooh paradise lost!
