

The Petrovas 2015

TIX

I got myself the worst hangover
I turned this fucking place around
I better set the house on fire
And burn it to ground

We can't be tamed
Raise your drink so high
Everybody now, drip drop, triple shot, the girls are goin cray-
ay-ay
I'm a survivor, gonna be okay

Like a supernova
Like a supernova
Like a supernova
I'm a Petrova

I got myself the worst hangover
Woke up in another century
I got a habit of losing control
And drink away my memory

We can't be tamed
Raise your drink so high
Everybody now, drip drop, triple shot, the girls are goin cray-
ay-ay
I'm a survivor, gonna be okay

Like a supernova
Like a supernova
Like a supernova
I'm a Petrova
