Breathe Gentle

Tiziano Ferro

Oh, oh I want to give you all of me - the underneath Want you to show me imperfection is actually love I thought, cursed - I was cursed destined to be lonely A circle in a world of squares where nobody knows me So with every footstep I must follow the kissing moments I thought were impossible Breathe gentle, Be gentle Don't leave me behind when love goes faster Breathe gentle, Be gentle Never let me go when love goes faster I will be gentle See, photographs haveonly two dimensions But love defies all logic in a picture Above all that is physical, I'm falling Falling uncontrollably - it terrifies me So if my compass, it fails me And I feel I'm walking blind Don't say goodbye Don't let me hide Oh please don't let me spiral Tortured by you, oh, sweet torture! I am a pirate -- love my fortune The walls have fallen now The key is yours to turn - I'm breathing Breathe gentle, Be gentle... Every time I run somehow love runs faster Without your loneliness is everlasting I still feel you But I hear you - loudly Screaming - "please wait for me" Cause I don't want to hurt you And I don't want to loose this love this time. Se cerco lo vedo l'amore va veloce e tu stai indietro Se cerchi mi vedi Il bene più segreto sfugge all'uomo che non guarda avanti mai
