

Growing My Wings (Interlude)

Tkay Maidza

All my life I've been growing my wings
Just to fly, I ain't falling, falling
All my life I've been learning some things
Growing up, I ain't falling, falling

All my life I've been growing my wings
Just to fly, I ain't falling, falling
All my life I've been learning some things
Growing up, I ain't falling, falling
