

Ring-a-Ling

Tkay Maidza

Ring a ling ling ling ring a ling
Someone say the money called ring a ling
By any means I'm getting more ring a ling
Turn a half into a whole ring a ring

Me a free I'm never choosing compliance
Many dem never tap their conscience
Talk a lot but they all moving a nonsense
Business only on this call if you find me on the road
Don't be tryna cut the show
Come correct or don't at all
I'm the gas and fire and the smoke
It's impossible the moves I've been climbing on low
No can trust no man that's broke

If you don't know ya know
Price tag going up that slope
Long money I don't need the receipt
Get the cash out ya rinse and repeat

Me don't waste no time
Point and shoot then fly
It's new day new grind
Can't nobody playing my line

Ring a ling ling ling ring a ling
Someone say the money called ring a ling
By any means I'm getting more ring a ling
Turn a half into a whole ring a ring

Ring a ling ling ling ring a ling
Someone say the money called ring a ling
Someone said the money goes ring a ling
Drop down it's giving lord ring a ling

I'm 24/7 on round the clock
Yeah jenny gotta op around the block
Demeanour really different now they talk
So now you looking petty ain't a shock stop

So tell em pile it please quick
Every dollar gotta be deposited and frequent
Gotta get it how I want
Gotta a buyer seeking
Reaching for it like I'm seasoned
If it's a negative account

Why you speaking to face of a brand
A gracing abroad
It's stated never late for demand
Brace for the door cause if a show stops
Then it's shots straight to the boss
I'm pulling out breaks and em jaws
Straight to the floor

Ring a ling ling ling ring a ling
Someone say the money called ring a ling

By any means I'm getting more ring a ling
Turn a half into a whole ring a ring

Ring a ling ling ling ring a ling
Someone say the money called ring a ling
Someone said the money goes ring a ling
Drop down it's giving lord ring a ling

Me don't waste no time
Point and shoot then fly
It's new day new grind
Can't nobody playing my line

Me don't waste no time
Point and shoot then fly
It's new day new grind
Day new grind
