

So Cold

Tkay Maidza

Ooh, I ain't fallin' in love
I ain't fallin' in love no more
With you, I ain't fallin' in love
I ain't fallin' in love no more

Hey, hey (Don't know, why do I feel this cold?)
Hey, hey (Don't know, why do I feel this cold?)
Hey, hey (Don't know, why do I feel this cold?)
I ain't fallin' in love, I ain't fallin' in love (Why do I feel this cold? Why do I feel this cold?)

I guess it was a waste of time (Waste of time)
I'm driftin' out of paradise
Thought you had a soul
Same-same with the cool inner-city flow
Can't hide how I'm feeling and it's sorta cold
Can't hide how I'm feeling
And we can't go again (Trust this border line)
Not so fly so I ascend (It's wise to stay apart)
Now you want it, oh
Same fling runnin' pretty, it's a tricky floor
Can't hide how I'm feeling and it's sorta cold
Can't hide how I'm feeling (So cold)
Ain't a dude that can fool me with old tricks, nah
I don't need permission, I'ma ghost quick, yeah
Runnin' to my fears with my fist high, gets tight
I don't let a nigga come and sit by
Shit don't change, karma comin' for you big time
Feel bad for you, ego can't touch me, nah
Going down on it like Hibachi, yeah
Independent, driven to the backseat, yeah
Back it up, back it up, back it up, back it up
I met it in Heaven, no ties to whoever
Whichever no ever, I'm tradin' no pleasure
You can't buy my attention with presents
'Cause my chi has been highly protected
It's an army to teach you these lessons
Better later than never, it's fashion
Now you ready

Don't know, why do I feel this cold?
Don't know, why do I feel this cold?
Don't know, why do I feel this cold?
Why do I feel this cold? Why do I feel this cold?

Ooh, I ain't fallin' in love
I ain't fallin' in love no more
With you, I ain't fallin' in love
I ain't fallin' in love no more

Hey, hey
Hey, hey
I ain't fallin' in love
Hey, hey
Hey, hey
I ain't fallin' in love, I ain't fallin' in love
