

# State Of Mind

Tkay Maidza

Do-si-do, you move in squares  
The space they only think  
I'm running circles round this lot  
Their only free is a high fee parking lot

I'm an average girl until I put my face on  
Then I have a meaning  
Now we can meet  
You want to give light?  
Nothing ever changes  
They stay slime  
They'll never own up

Too strong or just too weak  
They don't show loss just chic  
They don't want us forward  
They don't want me to speak  
Focused on what's ahead  
I don't see the oblique  
Compare you can but won't attain  
Duplicate to praise my reign  
I'll go again 'cause

I'm different place you are  
I'm in a different state of mind  
I tried to reach when you were far  
But the thought didn't match the pace of time

(Ah)  
I'm in a different place you are  
(Ah)  
I'm in a different state you are  
(Ah)  
I'm in a different place you  
I'm in a different state of mind

(Ah)  
I'm in a different place you are  
(Ah)  
I'm in a different state you are  
I'm in a different place you  
I'm in a different state of mind

Monkey see monkey do  
Run in and get in the other two  
You don't really fit  
Where's your fix when you run out?  
I'm in another loop  
Money brings money dudes  
Fakers and liars  
The try, try to deny us  
But they don't have luck  
If you're passing better watch  
I'll run in with no answers

I don't mind they won't meet  
I don't see their chances

Hopes too high why you plea?  
All why they try us  
But don't watch for their knees  
I don't see the point at all  
If your point is to play some more  
Think again  
Go for it  
I tried
