

Switch Lanes

Tkay Maidza

I don't know why they think we're alike
When I win it's like I give them life
Yeah, yeah
I don't know why they think we're the same
They link it up but I know I'll switch lanes, lanes, la-la, lanes

They're like "I run like open taps"
These drones are under attack
What's new where you're crew do that?
Never seen another tender you for tucker where your crew? do that
Wanna keep under scoop do that
Under who's Durag I'm not in it with a clue, you bag
Up with it with the shoes you've had, you wish you had, you wish you sassed
Time is past now you is last
(Attention)
What for?
You never really had the time I could have asked for
Now I never have the time these fellas asked for
I'm out doors with my claws
I walk fur, paws
They all will applaud
I'm like claus not red, black they all awe
Now time for greatness, they all pause
Close theirs now, open my doors

I don't know why they think we're alike
When I win it's like I give them life
Yeah, yeah
I don't know why they think we're the same
They link it up but I know I'll switch lanes, lanes, la-la, lanes

Man these fellas in the building wanna cop a feel, Cop a real, cop a deal
Sweaty out their pittys like they pop a pill
But I'm never chilling with em can they cop a deal
Hide one when you're gone I gotta find one
Better loan, itty bitty gotta line up
He the one right? He's never gonna dine ya
You the one right?
They're never gonna sign ya
Don't you know that I blow I go poof poof in it
Bombing all these fellas like a toilet menace, cause my ass talk finish
You done who's the witness
Fun is the business
You talk who is listening?
(They're like)
"Let's go bars, spit bars and eat bars
I'm on bars, I'm in bars, let's chill bruzz"
I never get it they're forgetting about the all bars
I think I'm better hidden in a place mars

There's no point to why they all complain
They think were close but they just know my name
I don't know why they think we're the same
They link it up but I know I'll switch lanes

I don't know why they think we're alike
When I win it's like I give them life

Yeah, yeah

I don't know why they think we're the same

They link it up but I know I'll switch lanes, lanes, la-la, lanes
