

# Aye Muthafucka

TLC

I think it's funny  
How I could've been with anybody  
You caught me when I was on the coming-up  
To end up with you  
Ain't that some shit?  
Ain't that some shit?

You want me going your way  
If it ain't going my way (going my way)  
Call yourself tryin' to play  
Boy, you gon' get caught all day

Aye muthafucka!  
Oh, you wanna play  
Aye muthafucka!  
Oh, don't run away (run away)  
Giving you no time a day  
I just turn and walk away, yeah  
Before you make me 38  
I just look at you and say  
Aye muthafucka!

I just tell you things I want you to know, aye  
I cannot with you, I done done this before, aye  
I'ma say a prayer before out of something I know  
Ain't worth it, especially over you

The thing about it  
You tripping and I could care less about it  
You dream my love until your time is up (time is up)  
But you should've known  
It don't work that way, no!  
It don't work that way, no!

You want me going your way  
If it ain't going my way (going my way)  
Call yourself tryin' to play  
Boy, you gon' get caught all day

Aye muthafucka!  
Oh, you wanna play  
Aye muthafucka!  
Oh, don't run away (run away)  
Giving you no time a day  
I just turn and walk away, yeah  
Before you make me 38  
I just look at you and say  
Aye muthafucka!

I just tell you things I want you to know, aye  
I cannot with you, I done done this before, aye  
I'ma say a prayer before out of something I know  
Ain't worth it, especially over you

I've been fed up, I've been fed up  
I've been fed up with you and your ways  
I've been fed up, I've been fed up

I've been fed up

Oh, you wanna play
