

# Diggin' on You

TLC

I was like peace in a groove  
On a Sunday afternoon  
You were there so was I  
In the park 4th of July  
I was chillin' with my Kool-Aid  
When Miss Chilli came to relay  
That you had a thing for me  
Finest thing you'd ever seen  
I must admit to you  
I've heard them lines a time or two  
Although for some apparent reason  
Monkey lines are now in season  
Lights off, lights on  
I guess the groove is on so I am

Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that

I was like deep in a cool  
What'nt gone be nobody's fool  
Could not care less who was there  
Could've been like anywhere  
I was chillin' with my Kool-Aid  
Did not want to par-ti-ci-pate  
In no silly conversations  
Had no time for new relation-ships  
I must admit to you  
When I heard the lines you threw  
Although it usually turns me off  
But this time you have turned me on  
Lights off, Lights on  
I guess the groove is on and I am

Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that

Oh why do I feel the way I do  
When all I can think about is you  
What was it in a line  
That made me fall for you  
Do you know  
Why I'm diggin' diggin' diggin' diggin' on you

Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby

It's on like that  
It's on like that  
I gotta be in love or somethin' like that

Diggin' on you  
It's on like that  
Diggin' diggin' diggin' diggin' on you

Diggin' the scene  
Diggin' on you  
Diggin' on me  
Baby bay-oh-baby baby  
It's on like that  
It's on like that  
I gotta be in love or somethin' like that
