TLC

When we first started out, we were overconfident (Yeah)
I mean, I don't know, I guess it means that umm (Come on)
Man bump that (Yeah)
I mean back then, only thing we can compare ourselves
To being bigger than BBD (Yeah)
And BBD was like so large to us, we were big like BBD! (Yeah)
We gon' sell this many records, we gon' sell that many records
Talkin' much junk I don't care who said (Yeah)
But what if y'all don't sell it
What you mean what if we don't sell it? We gon' sell it (Yeah)
We like what?
And then when it happened, it was like we knew it would happen
And as much junk as we talked (Come on)
We didn't know it was just a lot of junk talk (Yeah)
My dream is to just keep going forward, and never look backward
