

## Finish Him

TM88

Finish him, mmmmm...

I woke up with diamonds in my teeth thought I was dreaming  
Don't tell me that you love me if you don't mean it  
I always knew that I would make it out I got a reason  
Rees say I gotta wake em up cuz they been sleeping  
Let a nigga play we get mop sticks and get to cleaning  
We tryna find out where he stay so we can see if he a demon  
Told my shooter he'll get paid if he gone by the weekend  
No matter how much you say you fuck wit me it ain't no competing

Just to see my family proud I'll risk it all  
If you want it done do it yourself that's why I don't pass the ball  
Put all oppositions on top of shelves and I brush em off  
When I was down y'all ain't wanna show me no help so why I'm helping y'all  
I knew you wasn't my homie cuz you let me starve  
Even though I always sin I still repent to God  
It took so long for me to win I got so many scars  
Until I picked up the pen now I'm living large

I woke up with diamonds in my teeth thought I was dreaming  
Don't tell me that you love me if you don't mean it  
I always knew that I would make it out I got a reason  
Rees say I gotta wake em up cuz they been sleeping
