

## Love Scam

TM88

Say she want her nails done  
Say she want her feet did  
Girl you know where I'm from, we be swiping pieces  
So I can never really tell you the cost, baby  
Ain't no price on your love at all

In the bed, going crazy  
Wondering if she wanna have my baby  
Used to think was a myth until I met my lucky lady  
Her pussy crack, I'm high as hell  
I cuff her ass, am I in jail?  
Feeling hers I communicate, it's like I wrote my love in braille  
Her old nigga won't let her go  
Nigga fake, like rhinestones  
Girl you know my diamonds froze  
Say she lovin' me for me  
That's why I couldn't ever let her go  
She love birks and CD  
Buy her Dior and get some more

Say she want her nails done  
Say she want her feet did  
Girl you know where I'm from, we be swiping pieces  
So I can never really tell you the cost, baby

Baby let me know it's too fast  
Baby let me know and don't crash  
Baby let me know it's too fast  
Baby let me know and don't crash  
Baby let me know it's too fast
