Ice on me no frosty
Sossboy she take all of me
She wanna swallow my offspring
Ain't no pressure, I feel the love
Nigga on one and still got snubbed
Back in the one now shut the fuck up
Count all of my money, uh
Fuck an award, money, give me a speech
So much money is talking to me
Feel like I'm going crazy
All these blue faces
Only a few people understand that feeling when that money in yo' hand
Start thinking about so many plans
She wanna slide like a mini van

Purple my clothes like I'm Barney chill
