TM88

Woah-oh, woah-oh
Woah-oh, woah-oh
Woah-oh, woah-oh
Woah-oh, woah-oh

I'm so high, I know if I drive, I'm gon' crash it
Know she came from outta town, to get a lil' action
Lil' bounce, yeah she bad, yeah she got ass (Yeah she got ass)
And she got friends too but I don't know if there's real [?] in the b
ack
I got codeine, got it diluted
Up to no good, six in the mornin'
Lil' better, keep a lil' bitch moanin'
Four in the [?]

Man up with the minimum wages
Dirty dance just to look at my piece
Yeah, look at the wrist
Ten years that they used to the scene
Keep up, gotta take of my friends
So I'm livin' life like it never begin, uh
Pour me shot of gin
Though I said it, I'm drinkin' again

I'm a real boss, I'ma pay for somethin'
If it's some mills, I'ma stay for some (Oh yeah)
If they bad, I'ma wait for some
Pussy niggas, stay away from them (Oh yeah)
Got tired of seein' niggas with mills, got out and made it me some (O
h yeah)
Don't need no bitches when I walk into the club, I came with some (Oh
 yeah)
Ooh, since I was young, I knew that my day would come (Oh yeah)
And now I don't drive the car every day unless it's my favorite one
Just watched a movie 'bout a foreign whip
Went to the club to get a foreign bitch
If she ain't hustlin', she borin'
I'm wantin' cake since I was born
I wake up get some money, wake up next week, get some more
I tell the valet, "Get my door"
I tell her, "Get the money off the floor"
Made fifty million this year and I ain't even go on tour
Made sixty points in the game, you could say I'm ballin' like Jordan

Man up with the minimum wages (Hahaha)
Dirty dance just to look at my piece
Yeah, look at the wrist ([?] nigga the ball)
Ten years that they used to the scene (Hahahaha)
Keep up, gotta take of my friends
So I'm livin' life like it never begin, uh
Pour me shot of gin
Though I said it, I'm drinkin' again
