TNMK (THMK)

They tell me - this is no time  
Nobody wants your funk  
My baby give me the true  
She needs my hard walk  
I spread my wings  
Take a breath  
Eat my angel sign  
Smoking, drinking, fighting and prank  
Let's get funk

Everything  
That I want  
That I love  
Is illegal  
Everything  
That I want  
That I love  
Is illegal

Is illegal  
Is illegal

They tell me - this is too late  
Old-school is over here  
My baby looking for way  
She needs my ice cream  
I spread my wings  
Take a breath  
Chose my magic rules  
Smoking, drinking, fighting and prank  
Let's get funk
