

## Lacrimarum

To/Die/For

Its all pain and its all tears  
Its all chaos and its fear  
Its all sin, its the feeling that I'm not alive  
I'm afraid to face my fate  
Misery, sorrow and hate  
Dispair lives on  
Lives in everything

Dispair lives on and on  
Lives in everything  
Life is just a pain that I'll go through
