

## Made In Aus

## To The Grave

Showered in blood  
Apathy is all that you're capable of  
We've had enough  
So start removing their tongues  
Showered in blood  
Force all the cowards awake  
Shut the fuck up  
Time to see what you're made of and what you made me do

Euthanasia  
Just remember we did you a fucking favour  
We have ways of making you fuck off for good  
Showered in blood

Are you fucking happy?  
Are you happy now?  
Look what you made me do  
Should have shut your mouths when we told you to

Laugh at your massacres  
They never take enough  
Smile at your genocides  
It's about fucking time

Everyone rotting and undead  
Good people do evil things, fuck them, forget them  
Killing in the name of fuck all, it's getting old  
So fuck you, you'll do as your told  
All your friends are dead  
It was for the best  
They started the killing, couldn't finish it  
All your friends are dead  
It was for the best
