

Game Day

Toad The Wet Sprocket

Some nights I can't sleep at all
My mind races and the time just crawls
But day breaks like it always does
Another chance to feed the fear or live the love

There's too much at stake
To let it slip away

Oh, it's your game day
Get out and play day
Don't let the fear of the past
Get in the way
Remember why you came
The beauty and the pain
And there's a million ways
For you to pray

I fight to hold on to hope
It's a bumpy ride but it's all I know
Please love, don't give up, don't leave
You're the only thing that still makes sense to me

There's too much at stake
To let it slip away

'Cause it's your game day
Get out and play day
Don't let the fear of the past
Get in the way
Remember why you came
The beauty and the pain
And there's a million ways
For you to pray

There's too much at stake
There's too much at stake
There's too much at stake
To let it slip away

It's your game day
Get out and play day
Don't let the fear of the past
Get in the way
Remember why you came
The beauty and the pain
And there's a million ways
For you to pray

It's your game day
Go out and play day
Don't let the fear of the past
Get in the way
Remember why you came
The beauty and the pain
And there's a million ways
For you to pray

There's a million ways
For you to pray
There's a million ways
For you to pray
There's a million ways
For you to pray
