

## Auf Wiedersehen

Toadies

Au revoir, auf wiedersehen  
You won't see another morning  
You won't see another evening  
Good night

Buenos noches o senor  
Senorita see ya later  
Buenos noches bye-bye

There are many here among us  
You feel that life is a joke  
And for you we sing this final song  
For you there is no hope

Sayonara oh suicide hari kari  
Kamikaze you won't  
See another evening  
Goodbye

Bye-bye so long, farewell  
See you later suicide  
Suicide  
Suicide  
Suicide
