

Don't Go My Way

Toadies

Come on baby take it easy
Stop following me around
I know you don't believe me
But you don't want to take the road I'm down
There's no pretty way to find out
And no promise you'll be OK
Just give me your word now
Baby say you won't go my way
Don't go my way

You don't want to be lonely
You don't want to see the things I've seen
And if you learn one lesson only
Baby listen stay away from me
Don't go my way
