

# Human Cannonball

Toadies

He was trouble, a human cannonball  
She was ready to catch him should he fall  
She asked him, "why do you do the things you do?"  
He said, "I don't know what I'm going through"

I rise and fall, a human cannonball  
I wreck it all, a human cannonball  
I rise and fall, a human cannonball  
I wreck it all, a human cannonball, that's all

At night, he'd light up and shoot across the sky  
And she would watch him, a cannonball in flight  
And morning would come, he'd come crashing down  
He asked her, "Why do you keep staying around?"

I rise and fall, a human cannonball  
I wreck it all, a human cannonball  
I rise and fall, a human cannonball  
I wreck it all, a human cannonball, that's all

That's all  
That's all

He said, "Up here, you can see it all"  
"It's beautiful, the view of a human cannonball"  
She said, "Let's do it" and held on tightly to his hand  
They blasted off into the stars and were never seen again

I rise and fall, a human cannonball  
I wreck it all, a human cannonball  
I rise and fall, a human cannonball  
I wreck it all, a human cannonball

I rise and fall, a human cannonball  
I rise and fall, a human cannonball  
I rise and fall, a human cannonball  
I rise and fall, a human cannonball, that's all

That's all  
That's all
