

EXCESSIVE CELEBRATION

Tobe Nwigwe

Ooh, ooh

I just touched down, now it's time to celebrate (celebrate)
Super Bowl in Vegas, this where the big steppas play (step, step)
My whole squad'll paint the town but they don't decorate (they don't)
And my work a bit excessive, check my resume (mmh)

Keep it a C-Note (brr), if I'm speaking I'm the keynote
This ain't a dream though, Super Bowl with Ochocinco
Tobechukwu Dubem Nwigwe, stars aligned like bingo
I dance 'cause I'm black with excessive cream, no cappuccino
Win, win, win, I'm on fire right now
If you cannot win, sorry, my friend, you are my highlight now
Yeah ooh, yeah ooh, yeah ooh, yeah ooh
(Yeah) let 'em dance (yeah) let 'em dance (yeah) let 'em dance
(yeah) let 'em dance

When it comes to celebrations, who had the livest ones? (Me)
The most stylish ones? (Me) more fines than Iverson (me)
You need a eye surgeon (yah) If you can't see I'm [?]
And pull the most excessive celebration outta my gluteus, bi-
