

Knocking Pictures Off the Wall Flow

Tobe Nwigwe

Yep

I'm finna bring this back one time

One time only, Get Twisted

Now this beat down the block knockin' pictures off the wall

I used to be the one knockin' britches off the broads

I lost some cash, I had to dig some ditches for my dawgs

I told my partners hold your heads, you know it's glitches in the law

Man, I'm leavin' boys in awe, this ain't Monday, but I brawl

When I flow you should applaud, my flow cold, I need a thaw

All my family is abroad, showin' naked Mardi Gras

Man, if I ain't got the juice you best believe I got the straw

Take a sip, I swear my trunk is bangin' like a Crip

Thang hangin' in the back while they swangin', that's the fifth

I'm knockin' haters off my list, I'm bald-faded with the clip

I'm from the swat, them [?] boys got bangers on they hip

Bugsmashin' off the rip, ain't nobody in my bracket

I'm waitin' on the main event, I swear this beat is practice

Boy, slept on me, they done played me like a mattress

But in a couple years I'm finna be known 'cross the Atlas, yah

Get twisted, I'm gone
