

## Redbone Flow

Tobe Nwigwe

I used to dive in it, but now I stay by the shore  
'Cause when you reside in it yo' eyes be tinted way much more  
Than usual cloudy judgment ain't viewable to the people that be  
trapped in 'em  
All that glitters ain't platinum  
Or gold, partner, I chose proper, but yet and still  
Could never birth something real like contraceptive pills, ouu  
'Cause I swear I used to feel like relationships was built on  
Getting draws bein' ideal, but  
It wasn't, cousin, that dirty dozen of gangstas that installed  
that up in my mental  
Really ain't have credentials 'cause you know they fatherless  
And never really bothered with  
The fact that all they lil' intuition came from super fictitiou  
s  
Lowkey malicious doctrine taught by the elders on the block  
But when you ain't that close to heaven, hell, you give what yo  
u got  
Yeah, even if it is rooted in ignorance  
Most captives don't recognize that deliverance is necessary  
To counter hereditary impotence  
Even if you innocent you still guilty, it's hard to feel me  
Grew up jammin' "So Fresh and So Clean", but still was born fil  
thy  
Holy cow, I be feelin' milky when I think about  
All the lil' floozies that was drawn to me and let me dig 'em o  
ut  
When no doubt I was just, nah, scratch that  
Look, when I was really just searchin' for somethin' deeper  
Went on tour for my purpose, no Justin Bieber  
To every lil' mama boppin' that I called skeezer  
Wish I could tell ya you you one in a million, word to Aaliyah  
Yep

If you want it, yeah  
You can have it, oh, oh, oh  
If you need it, ooh  
We can make it, oh  
If you want it  
You can have it  
But stay woke
