

TRY JESUS

Tobe Nwigwe

Try Jesus
Not me
Cause I throw hands

Try Jesus
Please don't try me
Because I fight

I know what He said about getting slapped
But if you touch me or mine
We gone have to scrap
So

Try Jesus
Please don't try me
Because I fight

I have no problem layin' these hands
Try Jesus
Don't try me
Cause I throw hands

Try Jesus
Please don't try me
Because I fight

Ohh He said, "Turn the other cheek."
Ohh but that's one part of the Bible, that just don't sit right
with me

So try Jesus
Please don't try me
Cause I fight

I have no problem layin' these hands
