Tobi Lou

I just spent two hours, I just spent two hours cryin'
I just spent two hours
Wait, two hours?
Yeah!
I just spent two hours (Two hours)

I just spent two hours cryin' but how could you know that
When all you see is me smilin' like I work for Colgate?
Little things hit like a giant
Lately man, I feel like dyin'
But you know I can't stop tryin', I hope you know that
This shit been so fuckin' crazy, I'm up in my throwback
Just 'cause you posted a picture it doesn't make you Pro-
Black (Ooh)
Can't you see that I'm just tired? Roll one up, now I'm just fl
yin'
When I see over her risers, don't make me go back

It's gettin' hard to hold back (Hold back, ooh)
It's gettin' hard to hold back
It's gettin' hard to hold back these tears
It's gettin' hard to hold back (Hold back, ooh)
It's gettin' hard to hold back
It's gettin' hard to hold back these tears

Two hours, two hours
