

2hrs+

Tobi Lou

I just spent 2hrs  
I just 2hrs crying  
I spent like  
I just spent 2hrs  
Spent like 2hrs...  
Yea... I just spent 2hrs (2hrs)

I just spent 2hrs crying  
But how could you know that  
When all you see is me smiling like I work for Kodak  
Little things hurt like a giant  
Lil' Wayne - 'I Feel Like Dyin''  
But you know I can't stop tryin'  
I hope you know that  
This year been so fuckin crazy I might bring my fro' back  
Just cause you posted a picture it don't mean u pro black  
Can't you see that I'm just tired  
(Roll one up) Now I'm just flyin'  
When I see over horizons  
Don't make me go back

It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs  
It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs

I just spent 2hrs cryin'  
I donna who I was tryin'  
To be... but it wasn't me  
I just came out of retirement  
I just came out dat bish firing  
Waterboy like a fireman  
I'ma product of my environment  
I done met all the requirements  
But it's getting hard to hold back  
I just hope y'all just know that  
I done took all the blow back  
Black out n' ball like Bojack  
It make me fall to my knees  
I went an bought a new lease  
How do I deal with the grief  
She ain't seen me in a week

It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs  
It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs

So many lies you lied to me get it outta me

Say I'm disconnected when I'm not trynna be  
All I ever wanted was you to try and see my side  
And I know I promised you I wouldn't let it get to me  
All I'm asking is for that energy  
Soon as you wake up  
All you do is take up  
All my time, Yeah  
Oooooo you get it started  
I let you finish  
You said you was gonna fix it  
Why don't we just end it  
Why do we keep pretending  
I want some change I can see with my very own eyes  
It's getting hard

It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs  
It's getting hard to hold back  
It's getting hard to hold back  
It's getting hard to hold back these tears  
2hrs

And I'm here with y'all  
I can't [?]  
I just spent two hours, I just spent two hours cryin'  
I just spent two hours  
Wait, two hours?  
Two hours, two hours
