

(Every woman deserves a man)
Wanna go to Balmart?
(Every woman deserves a man)
Yeah, (she wanna get it but I wasn't ready)
I mean
That's not how it went
Ready
(So I'm about the plan)

I wanna get it but she wasn't ready
So I had to get it alone
I hate depression, threw up a diamond
Like I'm in Sierra Leone
I was just Watching the Throne
Now I just sit on that hoe
She wanna sit on my face
She sweet like a cinnamon roll (sweet)
I'm Tiger Woods with the stroke (yes!)
I make it get in a hole (get in a hole!)
She said she "makin' that cake" (what?)
She FKA (twigs) with the pole (she strippin')
I call it that honest day's work (cool)
But you ain't even workin' that hard (bitch I am harder)
Then she hit the ground with a twerk (spray)
I was like, "Oh my God" (oh my)

Do you believe in God? (oh my)
Yes I do (oh my)
Oh my God
Do you believe in God? (Yes, yes, yes, yes)

Can somebody say
Can somebody tell I love her?
(Don't worry 'bout it)
Well, I love her
(Don't worry 'bout it)
(That's that splehh, that's that splehh!)
Can't you hear my pain?
Many, many days I wonder
Well, I wonder
