

Crying In The Club

Tobi Lou

Tobi now has the floor and he is going to try not to screw this up like ever
ything else in his life
Let me rephrase that

You can't fuck with me (Hey)
(Hey Tobi, what's this?)
(Guess I'd better get some of these)

You can't fuck with me (Fuck with me)
Oh no, not today (Not today)
I feel good inside (Good inside)
I'm alright, okay (Right, okay)
I got hangtime (Hangtime)
I could fly away (Fly away)
Bitch, I'm so good (So, so)
I could die today, hey

My lil' bitch gon' work, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon', ayy
Work, work, work, work, work, work
My lil' bitch gon' work, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon', ayy
Work, work, work, work, work, work

I taught you proper
But don't act up, this not the Oscars
Fresh like my father
My shirt more silk than Silkk the Shocker
She give me scholar
I don't quite know yet what to call her
My little mama
Let's go somewhere and make a daughter
Try not to spoil her
Just give her the whole world and no more
She said come over
She picked me up just like a chauffeur
She turned the song on
I told her this not "The Thong Song"
She said, "You extra"
I said, "Well okay, read all about it"
You know I'm 'bout it
Let's go somewhere, it's getting crowded
She rolled the loudest
We smoke until the skies are cloudy
I'm glad you found me
Guess you noticed my eyes were drowning
Drowning
'Cause it's angels dancing all around me (Hey)

She said my lil' bitch gon' work (My lil' bitch)
She said my lil' bitch gon' work (Gonna work)
My lil' bitch gon' work (Like whatever you're tryna do right now, it's gonna
work, it's gonna happen)
Oh look, you can't fuck with me

You can't fuck with me
You can't fuck with me (Fuck with me)
Oh no, not today (Not today)
I feel good inside (Good inside)
I'm alright, okay (Right, okay)
I got hangtime (Hangtime)
I could fly away (Fly away)
Bitch, I'm so good (So, so)
I could die today, hey

My lil' bitch gon' work, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon', ayy
Work, work, work, work, work, work (Hey)
My lil' bitch gon' work, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon' work
My lil' bitch gon' work, ayy, my lil' bitch gon', ayy
Work, work, work, work, work, work

No more crying, babe
I said no more crying, babe
You should wipe your eyes for me
Could you wipe your eyes for me?

Crying in the club, crying in the club (Okay)
Shawty show me love, got me crying in the club (Okay)
Shawty show me love, got me crying in the club (Okay)
When she back it up, got me crying in the club (Okay)
When she put it on me, got me screaming, "What the fuck?"
