

Orange

Tobi Lou

I been cuttin' up, tryna get at you (Get at you)
Divin' in this cup like a swimming pool (Like a swimming pool)
Yeah (Ooh)

Why'd I stop rockin' flannels? (Flannels)
I still wear socks with sandals (Sandals)
I'm from the Chi like Chano (Chano)
My favorite color Channel, Orange (Orange)
I still watch cartoon channels (Channels)
My favorite shows got canceled (Damn)
So shout out to those assholes (Right)
I really wanna travel, window seat, first class, though (Yeah)
Lean my seat, so far back, niggas think I'm Fat Joe (Yeah)
Shoulder lean like Fat Joe (Yeah), shoulder lean like Uzi (Uzi)
We flipped That 70's Show, now these bitches think I'm groovy
But I'm ok with that though (Okay)
I'm looped up like a lasso (Okay)
I'm happier but most these days I be extra sad though
Gotta be extra careful, like birds around scarecrows
Not to let the sadness take advantage of my fragile (Stay)
I feel so insubstantial but I'm more than a handful
Do you know who I am ho? I started from the ground floor
And I made it here (Yeah), yeah I made it here (Yeah)
Now let me make it clear, I ain't goin' nowhere (No)
Bitch I'm from Chicago
I like Giordano's, I'm in love with deep dish
She love all my deep shit (All of it)
Hmm, but she extra shallow
My BM like Three Six, all my shit is decent
I just got into fashion, I used to hate that shit
But now I'm feelin' like, I was fuckin' made for this
All these niggas came and went, all these fuckin' tailored fits
I should be in Taylor Gang, bumpin' Kush and OJ

'Cause my favorite color Channel, Orange (Orange)
But nothin' rhymes with Orange (Orange)
Hey are we still recording?
Were we recording just then? Ha

I know it's all love but don't step on my tennis shoes
I been cuttin' up, tryna get at you (Get at you)
Divin' in this cup like a swimming pool (Swimming pool)
I couldn't stop it even if I wanted to (I wanted to)
I know it's all love but don't step on my tennis shoes
I been cuttin' up, you ain't seen the moves
Divin' in this cup like a swimming pool
I couldn't stop it even, if I wanted to

Yeah
I couldn't stop it, couldn't stop
I couldn't stop it, make it stop
Just make it stop, make it stop

I wonder if society still thinks I'm a menace
Black and beautiful, hello world, I'm the business
Step in this bitch and I swear I ascended
I know it's all love, but don't step on my tennis

I wonder if society still thinks I'm a menace
Black and beautiful, hello world, I'm the business
Step in this bitch and I swear I ascended
I know it's all love, but don't step on my tennis

Yeah that's it
