

# Pasadena

Tobi Lou

I just wanted to, you know uh  
I wanted my work to be appreciated  
Oh it's gonna storm, oh there's a 100% chance of rain  
And none of it is true, the damn sun came out  
Shut up with the weather report! And like you shut up!  
I'm not going out there, for what to prove to you?  
What I've proven to you and you still didn't give me my big money  
Still

If you ain't talking big money (Pasadena)  
If you ain't talking 'bout bags (Pasadena)  
You ain't talking all facts? (Pasadena)  
If you ain't shaking that ass (Pasadena) uh  
Pass on that baby (Pasadena, just pass on that)  
Pass on that baby (Pasadena, yeah, yeah, yeah)  
If you ain't talking 'bout big money (Pasadena)  
If you ain't talking 'bout bags (Pasadena) uh  
If you ain't talking all facts (Pasadena)  
If you ain't shaking that ass (Pasadena)  
Pass on me baby (Pasadena, yeah I had to pass on you baby)  
I'm 'a pass on you baby (Pasadena)

Passed on my ex (Pasadena) yeah  
Passed on my ex (Pasadena) yeah  
Still gettin' texts (Pasadena) yeah  
Still missing texts (Pasadena) yeah  
Still living reckless (Pasadena) uh  
But I'd never skip breakfast (Pasadena) uh  
Tryna to get that shit from me? (Pasadena)  
Tryna get that shit for free? (Pasadena)

Baby and I'm on free (Pasadena)  
And I'm on me (Pasadena)  
And I'm all we (Pasadena)  
Never been to the Eiffel  
But I passed all my rivals  
Passed all my idols (Pasadena) yeah  
Went for the title (Pasadena) yeah  
This is my arrival (Pasadena) uh  
Just lost the title (Pasadena) damn  
Want it bad like I'm Michael (Pasadena, I want it bad like I'm Michael)  
Came back like I'm Michael (Like I'm Michael, like I'm Michael)  
Came back goin' psycho, (Pasadena) bitch I'm back in the finals (Pasadena) uh  
Taking shots like a rifle (Like a rifle, Pasadena) look  
Fuck 12, no disciples (Pasadena, uh)  
And I'm still goin' psycho
