

WIDE Open

Tobi Lou

I hope you feel the way I feel, the way I feel about you (Yeah, yeah)
I hope you feel the way I feel, the way I feel about you (Hope you do
)
I hope you feel the way I feel, the way I feel about you
I hope you feel the way I feel

Let me go, I'm wide open, baby
Let me go (Ooh), I'm wide open
Pass me that (Yeah), I'm wide open
Throw me that, I'm wide open
Let me go, I'm wide open, baby
Let me go, I'm wide open
Pass me that, I'm wide open (If you want me, I'm wide open)
Throw me that, I'm wide open (If you need me, I'm wide open)

Yeah
I'm wide open like a receiver
Pass me that, you know I won't miss
Catch it like a golden retriever
I grab anything that you dish (Dish)
Wide open corner for three (Woo)
Give me paper, woah
You know I got that stroke (You know I got that stroke)
You know I got that stroke (You know I got that stroke)
You know I got that stroke (You know I got that stroke)

I hope you feel the way I feel, the way I feel about you (I hope you
feel the way I feel about you)
I hope you feel the way I feel

Let me go, I'm wide open, baby (Let me go deep)
Let me go (Ooh), I'm wide open (Let me go deep)
Pass me that (Yeah), I'm wide open (If you need me, I'm wide open)
Throw me that, I'm wide open (Know I'm wide open, know I'm wide open)
Let me go, I'm wide open, baby (You got me open)
Let me go, I'm wide open (If you need me, I'm wide open)
Pass me that, I'm wide open (Pass me that, pass me that)
Throw me that, I'm wide open (Know I'm wide open)

Throw that ass in a circle
That should be a virtue
Still be out like curfew
I'm still out past that curfew
I pull up in commercials (Twice is nice, twice is nice)
You're number one, I like you
You're the one, I love you
Love you, love you
