

Don't Touch!

TOBi

Uh huh, uh huh, uh huh, uh huh
Uh huh, uh huh, uh huh, uh huh

Aye, what's that?
What's that, what's that, what's that?
That's a crown on my head, don't touch
Don't touch that, touch that, touch that, touch that
Uh huh, uh huh, uh huh
Aye, what's that?
What's that, what's that, what's that?
That's a crown on my head, don't touch
Don't touch that, no, don't touch, don't touch that
No, don't touch

Who's that, who's that?
Real demolition man
My influencer's ain't got likes on their Instagram
But the moves they make just might break the Richter, man
Might fix your instrument
Mic check, mic check, mic check, mic check
Line drawn in the sand
Only time I play both sides, if I'm the middle man
Young, black, gifted, I don't give a damn
Living in a world where you gotta buy your innocence
Still got the game with the padlock on
Every line hit like the cap lock on
How you paint a picture with the backdrop gone?
Yeah, we in the field, but you won't see me dead in it
Still thinking bout Flint, Michigan
Children, they ain't ask for mineral water, but they got lead in it
Ain't no care for the dear wicked
When your bedroom just a room with a bed in it

Power tripping, so they got to go
Power tripping, so they got to go
Power tripping, so they got to go
Power tripping, so they got to go
So they got to go
For the minds who don't ever sleep
I hope that tonight you get better dreams
One time for the ones who are scared to love
I hope one day you surrender all
One time for the minds who don't ever sleep
I hope that tonight you get better dreams
One time for the ones who are scared to love
I hope one day you surrender all

Aye, what's that?
What's that, what's that, what's that?
That's a crown on my head, don't touch
Don't touch that, touch that, touch that, touch that
Uh huh, uh huh, uh huh
Aye, what's that?
What's that, what's that, what's that?
That's a crown on my head, don't touch
Don't touch that, no, don't touch, don't touch that
No, don't touch that

Not at all, not at all
Don't touch
Don't touch
