

Yeah, ooh, uh

Stumble on my words at 10PM
Don't ask me twice, you right, yeah I had a few
Tossin' and turnin' at 4AM, yeah
Sleepless nights, you right, I had a few
Uh, so many pictures run through my mind all the time
You right, I thought of you

3AM I'm drunk textin'
Talkin' reckless, funk flexin'
Love letters on park benches
Oh no, you got a wrong message, oh, you know, you got a wrong message
3AM I'm drunk textin'
Talkin' reckless, funk flexin'
Love letters on park benches
Oh, you got a wrong message, oh, you know, you got a wrong message

Jaw droppin'
Feel something, I had a few
Time gone, oh-oh
I feel something, you right, had a few now

Any time work done, I need some
Any time things down, then take some
I don't wanna fake try, no fake love
Jonesin' for real love, I need some
I would rather take time to build some on the low
What you think of? I need some
I don't wanna feel numb, I need some
I don't wanna feel numb, I need some when you come around, ooh
Sleepless nights, these fights, I had a few
Save me from me and the things I hide
Deep inside, full lies, I had a few

3AM I'm drunk textin' (Drunk textin')
Talkin' reckless, funk flexin' (Funk flexin')
Love letters on park benches (Babe)
Oh no, you got a wrong message, oh, you know, you got a wrong message
3AM I'm drunk textin' (Drunk textin')
Talkin' reckless, funk flexin' (Funk flexin')
Love letters on park benches
Oh, you know, you got a wrong message, oh, you know, you got a wrong message

Jaw droppin'
Feel something, I had a few
Time gone, oh-oh
I feel something, you right, had a few now

Ooh-ooh, ooh-ooh-ooh-ooh
Ooh-ooh, ooh-ooh-ooh-ooh
Ooh-ooh, ooh-ooh-ooh-ooh
Ooh-ooh, ooh-ooh-ooh-ooh
