

Hidden Fences

TOBi

She wanna move to the Big City... But not the side that's been
gentrified
She doing Yoga every Monday, Tuesday, Wednesday, Thursday, Frid
ay and not just for the exercise no
Follow me down to New Medina
Follow me in the inner city baby

Children's Aid just left my place
Judge threw the book, Pop caught the case
Marijuana laced, skyscrapers placed next to 'bottom feeders' wh
o scrape the plates
Staring out the penthouse, the 3rd world's just a block away
Staring out the penthouse, the 3rd world's just a-
Momma workin' overnight, Daddy working overtime
They over worked and underpaid, I understand you're over tired
So me giving up? FUCK that. I'll pull up in a "what's that?"
You taking shots to take my spot? Like Rosa Parks we buss back
Let's move it all going forward, We owe them all No Lamar
We'll go to war for gold and oil and Ivory sold in Cote d'Ivoir
e
My homie told me Tobi ball, You flowing hard, Noah's Ark
From coast to coast who got the dopest flow to let our story go

She wanna move to the Big City... But not the side that's been
gentrified
She doing Yoga every Monday, Tuesday, Wednesday, Thursday, Frid
ay and not just for the exercise no
Follow me down to New Medina
Follow me in the inner city baby

She wanna move to the Big City... But not the side that's been
gentrified
She doing Yoga every Monday, Tuesday, Wednesday, Thursday, Frid
ay and not just for the exercise no
AHHHHHHHHHHHHH
Got the coldest flow for sure
And he rock the old fedora
TOBi the tool man of home improvement with the solid gold décor
Strolling through the corridor keep my focus on the floor
Tell em folks chilvalry ain't dead, we tryna hold the do' for s
ure
Finesse game on ice cold, Allen I on the Iso
Moor power in my actions cause I learned to speak from the whit
e folks
To the blue suits and the white robes
Tell them this is holy ground
My people hold me up
My people hold me down

She wanna move to the Big City... But not the side that's been
gentrified

She doing Yoga every Monday, Tuesday, Wednesday, Thursday, Frid
ay and not just for the exercise no

Follow me down to New Medina
