

# Ain't It Just Like You

Toby Keith

Girl your bags are packed  
And you ain't coming back is written on them  
Take these memories with you  
They're just sad, and they're blue and I don't want them  
Oh you're not so sure that you're in love anymore  
And I ain't gonna beg you to stay  
Ain't it just like you to leave  
Ain't it just like me to let you walk away

I hold a tender place in my heart for you and you know it  
I've never said it out loud  
Guess I was too proud to ever show it  
We always thought some night that we might get it right  
But that ain't going to happen today  
Ain't it just like you to leave  
Ain't it just like me to let you walk away

Honey you must think my heart is a revolving door  
The way you come and go as you please  
I don't know if I should give up or try  
Or get down on my knees  
Ain't it just like me to pray  
Ain't it just like you to turn and walk away

Here you are at my door  
You're wanting in, you're wanting more and it's open  
You win me over with that grin  
So I let you on in, and I'm hopin'  
That this time you might stay forever  
But baby that just ain't your style  
Ain't it just like you to smile  
Ain't it just like me to let you stay awhile

Oh you must think my heart is a revolving door  
The way you come and go as you please  
And I don't know if I should give up or try  
Or get down on my knees  
Ain't it just like me to pray  
Ain't it just like you to make me feel this way

Ain't it just like you to smile  
Ain't it just like me to let you stay awhile

Girl your bags are packed  
And you ain't coming back is written on them
