

# Hello

Toby Keith

I was hangin' out in Mexico, I had a beachfront bungalow  
I know I should have gone home, but I was doin' that Caribbean  
thing  
I was listenin' to a Spanish guitar, drinkin' margaritas under  
the stars  
With a pretty senorita when the telephone started to ring, gues  
s who

Hello, honey I was just about to  
Hello, baby I was gettin' ready  
Hello, I know I should have called sooner, oh, no, no  
Hello, if you give me just a minute  
Hello, don't you hang up till I'm finished  
Hello, you're the only one I've ever, you know  
Hello

Well, there was silence at the end of the line  
I thought I'd give her till a quarter of nine  
I forgot to call her back and the party was a-rollin' at ten  
See, I was workin' on tequila and lime  
I guess I never even noticed the time  
I was dancin' the Iguana when the phone started ringin' again  
And you know who

Hello, honey I was just about to  
Hello, baby I was gettin' ready  
Hello, I know I should have called sooner, oh, no, no  
Hello, if you give me just a minute  
Hello, don't you hang up till I'm finished  
Hello, you're the only one I've ever, you know
