I Wanna Talk About Me

Yeah yeah That's right We talk about your work how your boss is a jerk We talk about your church and your head when it hurts We talk about the troubles you've been having with your brother About your daddy and your mother and your crazy ex-lover We talk about your friends and the places that you've been We talk about your skin and the dimples on your chin The polish on your toes and the run in your hose And God knows we're gonna talk about your clothes You know talking about you makes me smile But every once in awhile

I want to talk about me Want to talk about I Want to talk about number one Oh my me my What I think, what I like, what I know, what I want, what I see I like talking about you, you, you usually, but occasionally I want to talk about me I want to talk about me

We talk about your dreams and we talk about your schemes Your high school team and your moisturizer creme We talk about your nanna up in Muncie, Indiana We talk about your grandma down in Alabama We talk about your guys of every shape and size The ones that you despise and the ones you idolize We talk about your heart, about your brains and your smarts And your medical charts and when you start You know talking about you makes me grin But every now and then

I want to talk about me Want to talk about I Want to talk about number one Oh my me my What I think, what I like, what I know, what I want, what I see I like talking about you, you, you usually, but occasionally I want to talk about me I want to talk about me
