

Margaritaville

Toby Keith

Nibblin' on sponge cake
Watchin' the sun bake
All of those tourists covered in oil
Strummin' my six-string
On my front porch swing
Smell those shrimp hey they're beginnin' to boil

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's nobody's fault

I don't know the reason
I stayed here all season
Nothin' to show but this brand new tattoo
But it's a real beauty
A Mexican cutie
How it got here I haven't a clue

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman to blame
Now I think
Hell, it could be my fault

I blew out my flip-flop
Stepped on a pop-top
Cut my heel had to cruise on back home
But there's booze in the blender
And soon it will render
That frozen concoction that helps me hang on

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman to blame
But I know it's my own damn fault
Yes and some people claim that there's a woman to blame
And I know it's my own damn fault
