

Oklahoma Breakdown

Toby Keith

Well, it's Friday and we're gettin' tore up
Headed down to the river in the back of Fred's truck
Remember that one time you said it was all right
Go get juiced down by the riverbed tonight

See, it's late now and I gotta get you home
Your momma don't like me and you being alone
I asked you a couple of time, you said it was all right
Go rootin' round the riverbed tonight

Tell me that you love me if it's true
I don't want no one girl if I can't have you
This Oklahoma Breakdown sure do got you crying
Let me tell you that I love you one more time

Well, it's Friday, done got all tore up
Leavin' the river in the back of Fred's truck
I asked you a couple of times, you said it was all right
Get juiced down by the riverbed tonight

Tell me that you love me if it's true
I don't want no one girl if I can't have you
This Oklahoma Breakdown sure do got you crying

But your daddy don't like me and you bein' alone
So wake up baby, let me kiss you goodnight
Hell, that ol' river can wait another night

Tell me that you love me if it's true
I don't want no one girl if I can't have you
