

# Rodeo Moon

Toby Keith

**G** **D** **Em**  
I took her daddy's old two-horse trailer  
**C** **D**  
I patched a place in the floor that was bare  
**G** **D** **Em**  
And we loaded up her barrel pony  
**C** **D**  
And a riggin' bag is all that I had  
**Em** **G**  
Left with our suitcases filled with desire  
**Am** **D**  
Four hundred dollars, two good spare tires

**G** **D** **Em** **C**  
R: Now our windshield's a painting that hangs in our room  
**G** **D** **Em** **C**  
Changes with each mile like a radio tune  
**C** **D** **G** **C**  
We got up above, we'll make it on love  
**C** **D** **G** **C** **G** **G** **D** **Em** **C** **D** **G** **C**  
Under the rodeo moon

**G** **D** **Em**  
Sometimes we sleep in a hotel  
**C** **D**  
When we're ridin' that hot hand of luck  
**G** **D** **Em**  
Sometimes we crash at a friend's house  
**Am** **D**  
Sometimes we just sleep in the truck  
**Em** **G**  
At nighttime you'll find us out in the fast lane  
**Am** **D**  
Stayin' one step ahead of snow, wind, and rain

Yeah we left with our suitcases filled with desire

Four hundred dollars, two good spare tires
