

# She's Gonna Get It

Toby Keith

It's not because she's always satisfied  
Or that she's so easy to please  
She showed me what love's about  
That's for sure and I don't mean maybe  
Absolutely, there's no doubt, boys  
Nothin's too good for my baby

She's gotta have it, she's gonna get it  
That's what she wants, that's what I'm gonna do  
No matter what it takes, the sky's the limit  
She's gotta have it, she's gonna get it

She don't ask for much of anything  
But when she does, I give my all  
All it takes is one sweet touch  
And I go where her love takes me  
I can't seem to get enough  
Man, when it comes to my baby

She's gotta have it, she's gonna get it  
That's what she wants, that's what I'm gonna do  
No matter what it takes, the sky's the limit  
She's gotta have it, she's gonna get it

She showed me what love's about  
That's for sure and I don't mean maybe  
Absolutely, there's no doubt, boys  
Nothin's too good for my baby

She's gotta have it, she's gonna get it  
That's what she wants, that's what I'm gonna do  
No matter what it takes, the sky's the limit  
She's gotta have it

She's gotta have it, she's gonna get it  
That's what she wants, that's what I'm gonna do  
No matter what it takes, the sky's the limit  
She's gotta have it, she's gonna get it
